Commercial Refrigerator Door Hires V.P. Sales & Marketing

SARASOTA, FL – COMMERCIAL REFRIGERATOR DOOR COMPANY is excited to announce David Jennings as Vice President of Sales & Marketing.

Jennings has over 16 years experience in the commercial refrigeration and food service equipment industries having also worked for Middleby Marshall of the Middleby Corporation and Kolpak/McCall of the Manitowoc Corporation. He also previously held a similar position at Commercial Refrigerator Door Company and states, *"I guess you can go home, again."*

A graduate of Northwestern University, Jennings will be responsible for all facets of sales, distribution and marketing of Commercial's full line of STYLELINE products, including heated and energy-free glass door and frame systems for walk-in coolers and freezers, patented Automatic Beer Cave doors (ABC) and a range of shelving and merchandising accessories.

Jennings will also be responsible for the Company's current network of manufacturer's representatives, key account management and international business and sales, including Mexico, Canada and other countries.

You can reach David at djennings@styleline.com or on his cell phone at (941)-650-7354.

Family owned and operated since 1975, Commercial Refrigerator Door Company has built an industry reputation on quality and innovation with production facilities in Florida and Tennessee and manufacturing partners in select international arenas.
